PURE FOOD ORDINANCE Defeated and the Vote on it Afterward

Reconsidered-Seaboard Air Line to Construct Four

The Board of Aldermen held a lengthy regular session last night, at which a number of matters of importance were taken up and several acted upon.

taken up and several acted upon.

The Board concurred in the ordinance allowing the Seaboard Air Line Company to construct four tracks across Franklin for the purpose of having a freight yard between Broad and Main. The ordinance appropriating \$1,000 for the purpose of getting information from the Hill Directory Company regarding the number of people resident upon each block of the city, with a view to redistricting the city in wards, as required by the new Constitution, met with the approval of the Board. The pure food ordinance was taken up, lost by two votes, the vote thus consigning it to limbo was reconsidered, and the ordinance again laid upon the table, where it was before. The request from the Board of Police Commissioners for \$5,000 with which to, employ special policemen to aid the regular force during the extraordinary reign of lawlessness, was presented, and, taking the usual course, went to the Finance Committee. The attendance was nuite good, and the members soon got down to work and gave their attention to business in earnest. business in earnest.

Session in Detail.

The Board of Aldermen met last night at 8 o'clock in regular session. President Turpin was in the chair and Clerk August was at his desk.

August was at his desk.

Members present were Measrs. Turpin,
Sahen, Beck, Burton, Cottrell, Gilman,
Sunst, Hall, Mann, Rennolds, Minor, Satterfield, Sheppard, Washer, Wood and
Elmmermann.

The ordinance granting permission to
the Seaboard Air Line Rallway Company to lay four tracks across Franklin
Street, between Fifteenth and Seventeenth, for the purpose of having freight
vards for said company between Broad
and Main Streets, came up for concurtence.

and Main Streets, came up for concurrence.

The matter was discussed, and it was prought out clearly that the tracks would be used but one hour, between 7 A. M. and 7 P. M., this at the usual dinner hour, from 12 to 1. The street tracks will be used only at night, save during the hour mentioned, and can be occupied at night only three minutes at a time. The statement of these facts reduced opposition very considerably, and the privilege was granted by a pronounced malority.

of the Board sought to know if it were possible to avoid the expenditure of \$1,000 and get the desired information from the United States census. Mr. Minor replied that the United States census gave the population by wards, but not by blocks, and therefore could be of little service.

The regular business having been disposed of, Mr. Burton called up the ordinance relating to boxes in alleys. Mr. Gunst offered a substitute to the ordinance that the boxes be made of uniform size.

The gentleman was requested to write his amendment. While he was doing so, the roll call was continued. Mr. Hall called up the pure food ordinance. The ordinance received twelve votes out of a necessary fourteen to pass it. The vote was reconsidered, and the ordinance again tabled. BOXES IN ALLEYS.

When the ordinance relating to the alley boxes again came up, Mr. Gunst wished to make them three feet by ten. Mr. Zimmermann and others spoke against the amendment, and upon a vote being taken it was lost. The original ordinance was concurred in The Board concurred in the ordinance

The Board concurred in the ordinance appropriating \$350 for having the rooms used by the Corporation Commission cleaned up, and to pay the elevator men for the extra work devolving upon them by reason of the new department having quarters in the Hall.

Members of the Finance Committee reported that they did not conclude their session and would meet after the adjournment of the Board. No other members having business which they wished attended to at this time, the Board adjourned.

CUP CHALLENGER IN **NEW CANVAS DRESS**

(By Associated Press.)

NEW YORK, July 14.—Not a race, but a sail stretching trial was the purpose of to-day's spin of the two Shamrocks down along the Jersey coast. Shamrock 'III. had just bent on a new suit of sails, with increased area, afforded by her tall east mast, and designer Fife wanted to stretch the new duck before a set race. All the time the boats were out it looked squally, and for half an hour before the trial was abandoned the boats had a windy thresh against a fifteen knot southerly bllow, that put their lee rails well down and ironed out the wrinkles in the new sails.

Bir Thomas expects to give the boats . race over a set course to-morrow.

ASK FEDERAL COURT TO INTERFERE IN STRIKE

(By Associated Fress.)
CHICAGO, ILL., July H.—Federal Court Intervention in the expected freight handlers' strike, growing out of the labor troubles at the plant of the Kellogg Switchboard and Supply Company, was asked to-day by the Chicago Terminal Transfer Railroad Company. A bill of complaint was filed in the United States Circuit Court, naming as defendants Circuit Court, naming as defendants Lawrence J. Curran, Hugh McGee and Albert Young presidents, respectively, of the Freight Handlers, Truck Drivers and the National Teamsters' unions, Federal jurisdiction is claimed under the interstate company is subject. ompany is subject.

company is subject. The defendants are charged with having cority.

The merchants in the vicinity are very fesirous for the yards to be so convenient to their doors.

A very important matter was at this point brought up under a suspension of the rules. A report was received from the Police Board, signed by Mr. Landerstin, president pro tem, asking for \$5.000 to provide the city with special police sufficient to insure order at all times. Mr. Minor offered a resolution that the frinance Committee make its report to either bedy as soon as possible. The resolution was adopted, in so far as referring to the Finance Committee. The committee at once retired.

While the committee was in seesion the Board took a recess.

REDISTRICT THE CITY.

Upon reconvening, the Board took up the ordinance appropriating \$1.000 for the purpose of assertaining the number of people in Richmend by blocks, coming to the Board for concurrence. Mr. Minor explained the purpose of the ordinance by saying that the new Constitution required that the city be redistricted this year as to wards, and in order to do this it was uccessary to have the exact population of the city by blocks. The Hill Directory Company agrees to farmish this information for the sum of \$1,000. The Board concurred, after a brief Macuselon, in which the president

was sold to-day under receivership proceedings by order of the United States Circuit Court. There was only one bid made—by R. G. Erwin, president of the Atlantic Coast Line, and Fairfax Harrison, general counsel for the Southern Railway as joint interest. The railroad was sold for \$50,000 and the cotton compress for \$20,000, these being the upset prices fixed by the court.

The property will be operated by the railroads jointly. It covered the water front on the east side of the city.
